What is the UCD Festival?

The UCD Festival is a unique and inclusive showcase of the innovation, creativity, research and learning that takes place at UCD. Festival goers enjoy a schmorgesbord of fun, with over 135 events to dive into, featuring everything from interactive workshops and discovery, to hands-on fun, conversations, performances and so much more.

UCD Festival Attendees

Over 21k Visitors to the 2023 UCD Festival.

Our festival audience is made up of students, graduates and families from Leinster. 85% of attendees noted a highlight being the interaction with contributors, workshop leads and speakers.

52%

Introduced to organizations
they hadn't heard of before

79%

Families with kids under
the age of 15

323%

Visitor growth from
2016 to 2023

48%

Sought out Engineering, Science
and Technology activities

89%

Would return in 2024

"This festival allows children to see how
science research is applied in every
day life, try something new, increase
interest in learning science."

"I have never learnt so much in one day,
literally widened my horizon. Well done!"

Enjoy Brand Growth and Awareness

The UCD Festival ignites curiosity and creativity and offers a unique platform for brand growth through strong exposure on digital, social and traditional media channels.

Benefits For Sponsors

Partnering with UCD Festival allows you to:

- Support the Mission of the Festival to ignite curiosity and inspire audiences.
- Help develop events and activities that address crucial societal challenges.
- Hit your CSR / and SDG objectives by supporting our research work, education and engagement activities.
- Showcase new sustainable practises, technologies and innovations to our highly engaged audience
- Join a dynamic network of educators, researchers, funders, scientists, writers, thinkers and cultural influencers.

Partnership Opportunities Available

Our partners can avail of a range of sponsorship packages from supporting a talk or workshop up to our Pillar Partner package which achieves maximum benefit.

Sponsorship opportunities on offer include:

- Branding and activation to showcase products or services with an engaged audience in one of our eight themed festival zones.
- Sponsoring interactive workshops to inspire young audiences to become future innovators in science, engineering, technology and the arts.
- Design and develop thought leadership talks with us, leading the debate on topics that matter to you.
- Opportunities for your staff and their families to enjoy special events at The UCD Festival.
- Extensive branding on printed materials which will feature on the day.
- Engagement with our UCD staff, alumni, academic and student community.

If you wish to discuss the opportunity to support the UCD Festival please contact jennie.blake@ucd.ie or louise.delahunty@ucd.ie
